BRAND PRODUCTS**
FOR YOUR AESTHETIC PRACTICE

Rely on Us

{ *Quality, Selection and Value You Can Rely On* }

Now, more than ever, you require value-priced products for your practice. At Henry Schein Medical, you can rely on us to provide diverse product options that will help you achieve maximum profitability while maintaining patient satisfaction throughout your practice. We are dedicated to constantly improving and expanding our selection of items to meet the growing needs of our customers.

In this special publication of our Henry Schein Brand products, you will find a wide variety of choices focused on everyday essentials, including infection control supplies for instrument reprocessing and overall protection; exam room disposables from table paper to drapes, capes, and gowns; surgical and exam gloves featuring the popular Criterion line; and wound care items such as gauze, dressings, and bandages.

Henry Schein is a name you can trust. The Henry Schein Brand product line has met our high standards of quality and effectiveness—earning the Henry Schein Seal of Excellence—your guarantee of satisfaction. We invite you to try our line and experience the value, selection, and quality that we stand behind with an 80-year history of serving health care professionals around the world.

Celebrating 80 Years of Excellence

Henry Schein is proud of its history. From a New York pharmacy to a Fortune 300 company—we are dedicated to serving our customers, supplier partners, investors, society, and Team Schein.

Henry Schein Medical is your reliable network of trusted advisors.

Rely on Us for...

Expert Guidance

Our knowledgeable team of trusted advisors is dedicated to collaborating with you to meet specific goals related to quality patient care; staff and team growth; and profitability.

- Revenue Enhancement Tools
- Cost Containment Programs
- Staff Training and Team Building
- Practice Marketing
- Technology Solutions

Price Integrity

We have relationships at the local, regional, and national level—including all major GPOs—to help manage operating costs and drive value for your practice. Web-enabled reporting tools guarantee your pricing is accurate and consistent.

Guaranteed Fast Delivery

All orders received by 5 PM local time are shipped the same day. Your products arrive within 24–48 hours.

Vaccines, Pharmaceuticals, and Diagnostics

We supply every adult and pediatric vaccine recommended by the ACIP, advancing prevention and wellness in your patient community. We meet all of your flu vaccination needs with our Worry-Free Guarantee Influenza Program.

Our pharmaceutical and diagnostic solutions include brand names as well as a complete line of generics and Henry Schein Brand options for added value.

WHAT'S NEW?

HENRY SCHEIN® SURGICAL SKIN MARKERS

These surgical marking pens provide an accurate and reliable way to mark the incision site prior to surgery.

HENRY SCHEIN® SUTURE REMOVAL KIT

All items are sterile and latex-free.
(112-5822)ea

Contains: 1 small-loop, 4.5" straight metal iris scissor; 1 serrated, 4.75" metal forceps, 1-3" x 3" gauze pad; 1 large alcohol prep pad.

HENRY SCHEIN® SUTURE REMOVAL KIT-PLASTIC

Sterile, single-use kit. Plastic-handled Littauer scissors with plastic thumb forceps. Flatter, thinner-blade scissors provide easier suture removal by allowing blade to slip under suture.
(900-4687)ea

Contains: 1 pair of Littauer (hook-tipped) scissors, 1 pair of PosiGrip™ plastic forceps & 1-3" x 3" gauze sponge.

HENRY SCHEIN® DISPOSABLE SKIN STAPLER -35 WIDE

Our disposable skin stapler is specially designed for surgical skin suturing. With novel structure and application security, it has the advantages of quick speed of sewing up during the operation, little histological reaction, and good wound matching and healing. Leaves a small surgical scar; no pain during removal. Enables you to not only work with higher efficiency but also assists in avoiding cross-infection effectively.

(100-2016) 36" x 36"100/case

HENRY SCHEIN® MAXITEST®

Mail-in service includes 3 bacterial spore test strips (2 test strips and 1 control strip) per test package. Postage is prepaid and culturing service is included. Monitors all sterilizers including steam, chemical vapor, dry heat, and EtO. Third-party documentation serves as tangible, legal document where proof of sterility testing must be provided. Immediate and confidential notification of test failures. Test results available electronically.

- Easy to use: place MaxiTest strips within an average load; process according to normal procedure; when cycle is complete, remove load from sterilizer and remove test strips; forward to bacteriological laboratory for culturing
- Suitable for use with all sterilizers: dual-organism spore strips contain both *Bacillus stearothermophilus* and *Bacillus subtilis* so they can be used to monitor all sterilizers, including unsaturated chemical vapor
- 2 test strips and 1 control strip: provide increased safety to patients and staff; 2 test strips placed in separate areas of the sterilizer provide greater accuracy of test results
- Biological Sterilization Monitoring Service: MaxiTest includes test sets, culturing service, laboratory reports, all postage and handling, and any device concerning sterilization procedures; the lab cultures are completed in 7 days; however, if any test strip cultures positive (spore growth indicating sterilization failure), the office will be telephoned immediately; if the test strips do not culture positive, the office will receive a laboratory report in approximately 2 weeks, indicating sterilization was achieved

12-Test Package
(101-5830)ea

Superior Point: Needles are honed with a unique multiedged point to provide greater ease of penetration. Superior attachment: Needles are drilled for a seamless needle-suture juncture, providing a smoother transition with less tissue disruption. Superior packaging: Unique double-sterile barrier packaging ends costly waste.

- Precision-honed needle: offers surgeon easier penetration and precise tracking
- Finely crafted swaged needles: tissue trauma is reduced because swaged needles are used only once and then discarded; dull needles are eliminated
- Sterile packaging: ensures sterility
- Unique, see-through packaging: permits positive identification without the necessity to touch or otherwise contaminate suture
- Wide assortment of suture material (Silk–Black Braided, Gut–Plain, Gut–Chromic, Polyester–Green Braided): practitioner can select from several suture materials

HENRY SCHEIN® CONFORMING STRETCH GAUZE ROLLS

4.1-1-1/2 yd Rolls

- Economical knitted bandage in various widths
- High-quality materials consist of nylon, polyester, and cotton; provides light compression as it cushions and protects
- Offers softness, breathability, and alleviation of irritation
- Low lint content reduces contamination to wound site
- Improved packaging is resealable, durable, easy to store, and remains clean

HENRY SCHEIN®
WOUND CLOSURE STRIPS

Latex-free
Adhesive wound closures with an exceptionally porous, spun-bond fiber backing include bilateral nylon filaments for high tensile strength. Hypoallergenic, medical-grade adhesive affords excellent adhesion, yet remains gentle to the skin. To be used in addition to or in place of sutures. Each size is in a color-coded package for quick and easy size identification. Latex-free.

- **Highly aggressive adhesive properties:** Resistant to moisture, with proven superior longevity, on the patient, to popular brands
- **Bilateral nylon filaments:** Provide resistance to stretching while maintaining closure and high tensile strength
- **Hypoallergenic:** Designed for patient comfort and longer-term exposure
- **Porous:** Allows breathing for advanced healing and moisture control
