How Can Henry Schein Medical Help Your Surgical Practice?

We can support your facility's every need.

Serving your unique environment – Whether you perform minor surgical procedures in your office or you operate a freestanding, multi-specialty surgery center, Henry Schein Medical provides the products and services you rely upon to improve your center's efficiency and profitability.

Partnering for Success – Our team of knowledgeable professionals can work with your team to achieve all of your business goals. Through our **SurgiTeam Solutions Program**, we have partnered with some of the strongest surgical supply manufacturers in the industry, offering a full line of support resources to address your facility's activities.

SurgiTeam Solutions – YOUR SINGLE SOURCE FOR EVERYDAY SURGICAL PRODUCTS, including:

- Wide range of **branded and generic pharmaceuticals**
- Broad selection of manufacturers to meet your every need
- Distribution network that is second to none, featuring:
 - Reliable and customizable delivery of critical surgical products, including **custom surgical kits and packs**
 - Dedicated account representatives to develop solutions designed specifically for your center
 - **Inventory-management solutions** to drive efficiency and profitability
 - Comprehensive **online ordering tools**
 - Over 6,000 **high-quality, cost-saving** Henry Schein Brand Products

- 8.....(104-4696)
- 8½.....(104-5787)
- 9.....(104-9192)

- Smooth
- Chlorinated
- Certified Protein Claim: None

CRITERION® POWDER-FREE LATEX SURGEONS' GLOVES

Sterile

- Advanced polymer coating on inside surface allows glove to don easily, even when hands are wet or damp
- Supersoft latex film and anatomical design provide unprecedented comfort to reduce fatigue, even during the longest procedures
- With a microtextured surface and an optimized tack level, these gloves provide excellent grip in wet or dry conditions and give user unmatched tactile sensitivity for precise work
- They meet or exceed ASTM standards and are 100% air-inflation tested to ensure that strength, durability, and barrier protection are never compromised

Gloves.....50 pair/box

Specify:

- 5½.....(104-6125)
- 6.....(104-5073)
- 6½.....(104-9218)

Customized Surgical Kits and Packs – Designed For You

SurgiTeam[™]

Let Henry Schein design the custom Surgical Kits and Packs for all of your procedures. Our complete line of supplies, instruments and disposable products allows us to work with you to design a comprehensive surgical supply solution for your practice. Together we can provide a truly customized surgical pack that contains exactly the items needed.

We increase your operating efficiencies and control costs while providing customized kits for each procedure and Ambulatory Surgery Center.

Online ordering is available to help expedite your request. We offer just-in-time delivery, eliminating the need for storing excess supplies and maintaining inventory.

Your custom Surgical Pack is just a phone call away.

Talk with your Sales Consultant about designing a custom sample pack for evaluation.
