Announcing SurGuard®3 Safety Needles from Terumo

With 3 ways to activate and a broader range of sizes than most other brands, SurGuard®3 is the industry's most adaptable safety needle. Add separate thumb and finger grips, unequal sharpness,* and competitive pricing, and you'll understand why we say SurGuard®3 is the one needle that fits *every* clinician's style.

Plus, SurGuard®3 has the sharpest needles among major brands tested*

- 10% sharper than similar needles from other leading brands
- More comfortable injections for patients

Bottom line: No matter what you're looking for in a needle, you're looking for SurGuard®3.

For more information, contact your Henry Schein Representative.

*Independent Lab Testing: Terumo needles, on average, sharpest among brands tested.
