- Personalized and imprinted items
- Opened computer hardware and software
- Controlled drugs
- Hazardous items
- Expired products
- Items that cannot be returned to the manufacturer
- Any item marked non returnable

Equipment:

Any item marked non-returnable Equipment: Opened and used equipment may not be returned for credit. Before opening equipment, we suggest you check the shipping container and packing list to ensure that you are getting exactly what you ordered. Equipment is backed by the manufacturer's repair or replacement warranty. Please read and return all warranty information required immediately upon taking delivery of your new equipment. Open or defective equipment will be covered by manufacturer's warranty. Prescription Drug Returns: The Prescription Drug Marketing Act (PDMA) requires any customer returning prescription drugs to complete and return a Prescription Drug Return Authorization form. Federal Law requires that the healthcare entity returning prescription drugs document that the product was kept under proper storage and handling conditions while in their possession and during the return of the product. To get a copy of the form and proper return authorization, please contact Customer Service at 1-800-356-5788.
