

**Andrea Albertini**  
**Chief Executive Officer, Global Distribution and Technology**  
**Henry Schein, Inc.**

Mr. Albertini joined Henry Schein, Inc. in 2013, and currently serves as Chief Executive Officer, Global Distribution and Technology, which includes the Company's Dental and Medical distribution businesses, the Global Dental Lab & Prosthetic Solutions business, as well as technology and value-added services.

Mr. Albertini has nearly 20 years of experience in senior leadership positions in the health care industry. After starting at Henry Schein as Vice President of International Dental Equipment, he gained increasing responsibility and management of the Company's portfolio of businesses in Southern Europe and China. Most recently, he served as President of Henry Schein's International Distribution Group and before that President of Henry Schein's EMEA Dental Distribution Group responsible for the development and execution of a cohesive Dental business strategy across Europe, the Middle East, and Africa. Before joining Henry Schein, Mr. Albertini held leadership positions at Cefla Dental Group and Castellini, leading global manufacturers of dental and medical equipment and instruments.

Mr. Albertini holds a Master of Engineering from Bologna University, Italy, and a Master of Business Administration from Profingest Business School, Bologna, Italy.
