In his previous role, he oversaw all aspects of U.S. Dental Equipment Operations, a vital business that includes technical service, equipment procurement and delivery, internal support, the Dental field operations teams, and financial performance. Mr. Kizy was also responsible for developing the Service First brand into a central part of Henry Schein's value proposition.

In 2022, Mr. Kizy joined Henry Schein when the Company acquired Midway Dental, a full-service dental distributor serving dental offices and dental laboratories across the Midwestern United States. A forward-thinking, warm-hearted leader, Mr. Kizy led Midway Dental from 2016 to 2021, where the company earned an excellent reputation within the industry, grounded by a strong commitment to customer service and industry leadership.

At 14, Mr. Kizy started his first business selling cell phones in his father's convenience store in Detroit. What began as a curious 14-year-old's project for side cash has become the basis for an entrepreneurial spirit that has garnered Mr. Kizy recognition for excellence and performance by Inc. 5000, 30 in their Thirties, and National Distribution and Contracting member of the year, to name a few.

Having grown up with a brother and sisters who practice dentistry, Mr. Kizy was encouraged to bring change to the industry. As such, it was natural for him to assume the Vice President of Strategic Business Development role at Henry Schein focusing on the Equipment Operations Group. Since taking the helm, Mr. Kizy has brought the same entrepreneurial culture to his team that contributed to Midway Dental's growth of more than 800% from 2016 to 2021. His management system enables key team members to effect micro-to-macro-level agendas at Henry Schein with an unmatched degree of adaptivity.
