

Henry Schein Financial Services is committed to working with affected customers to alleviate the financial impact of the Hurricane Dorian disaster. The following options will be available:

Existing Henry Schein Customers

Practitioners that have a financing program with Henry Schein Financial Services and have been affected by Hurricane Dorian are encouraged to contact us for assistance. Customers with open merchandise balances will receive extended terms without any additional financing charges. Customers are encouraged to contact their Henry Schein Representative for guidance.

Bridge Financing Program

Practitioners can utilize a bridge financing program for up to six months, during which time, there will be an interest rate of 1% per month. Insurance proceeds can be used to pay off the agreement before the end of the sixth month. After six months, if the agreement is not paid off, it will convert into a five year agreement with a fixed interest rate.

Equipment & Project Financing

Henry Schein Financial Services offers financing for equipment, leasehold improvements, furniture, computers and other items needed to get your practice up and running. We offer no money down and up to six month payment deferrals, and terms from 3 to 7 years. We will work with you to customize repayment programs to meet your cash flow needs during this difficult time.

Special Merchandise Offer

Let us help you replenish your dental supplies with our expanded EZ Pay Program. We can offer 12 months with NO INTEREST for up to \$30,000 in dental supplies, with a three month delay before making your first payment.

Network of Experienced Disaster Assistance Resources

You're in good hands with Henry Schein Financial Services. We have a network of lenders to help with your specific circumstances including SBA lenders.

Further inquiries for both existing and new financing opportunities including special relief programs can be made by contacting

Joe Paul at 800-853-9493

All options will be available for customers located in impacted areas. Relief for customers outside affected will be reviewed on a case-by-case basis with proof of impact. Financing is subject to credit approval and verification of practice address.
