

HENRY SCHEIN

Cares[♥]

**Supporting Your Students,
From the Classroom
to the Community.**

GLOBAL STUDENT OUTREACH PROGRAM

We are committed to helping you prepare your students for a future of compassionate health care, and invite your institution to partner with us through the Global Student Outreach Program (GSOP). By providing you a Global Student Outreach package with supplies for your outreach mission, we help you create the memorable, positive learning opportunities that will shape your students into tomorrow's leaders. We believe in building lasting relationships and seek to work together to build the capacity of local organizations, ensuring care continues long after the mission ends.

Let's build a healthier future together.

Apply for a GSOP product grant for your next outreach mission.

GLOBAL STUDENT OUTREACH PROGRAM

Your Mission, Our Support

We believe in the passion and potential of the next generation of health care professionals. It's a belief that aligns with the culture and values of our company. That's why we created the Global Student Outreach Program, a practical way to connect your academic learning with the real-world impact you're driven to make. Henry Schein Cares provides the supplies for your service-learning missions because we want to empower you to transform your skills into vital care for communities that need it most.

Together, we're not just treating patients; we are building a healthier future and fostering a lifelong commitment to service, one mission at a time.

**You are committed to service.
We are committed to supporting your mission.**

We provide a package
valued at \$10K
to be used for your
global and domestic
mission trips.*

Together, we can
provide care and
education for up to
1,000 patients.

We help you offer
**hands-on
experience**
in a supervised, service-
learning environment.

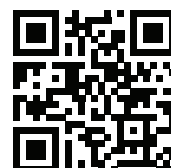

Build student
resumes and a
**lifelong
commitment**
to global health.

GSOP packages include PPE, restorative materials, instruments, educational materials, medical diagnostic equipment, and dental screening and prevention materials.

Let's build a healthier future together.

Speak to your faculty and let them know you're ready to serve!

* GSOP Package recipients are responsible for shipping internationally. Henry Schein will only ship GSOP Packages within the United States. Products are worth \$10,000 Fair Market Value.

Experts across the health care profession weighed in to create the list of *pre-approved materials included in each package so that you could simply focus on providing care.

* GSOP Package recipients are responsible for shipping internationally. Henry Schein will only ship GSOP Packages within the United States.
