

## THE HENRY SCHEIN CARES HYGIENE PACK PROGRAM

launches in response to the  
humanitarian crisis in Ukraine.

**WE NEED YOUR HELP.** In response to the humanitarian crisis in Ukraine, we have launched the Henry Schein Cares Hygiene Pack Program\* so that customers can buy hygiene packs.

*From April 5 through July 29, 2022, each hygiene pack purchased will be provided to MedShare and International Medical Corps in support of the Ukraine humanitarian crisis. 100% of the sales price will be used to cover Henry Schein's cost of the pack items, and the balance of the \$10 sales price in excess of such costs will be donated evenly between the two organizations.*

**WHY HYGIENE PACKS?** Personal hygiene products are among the most requested items during times of disaster or crisis. Everyday hygiene products – such as toothbrushes, toothpaste, floss, soap, shampoo, and other items – can provide a much-needed boost to morale, self-esteem, mental health, and overall health.

### HOW DO I PURCHASE A HYGIENE PACK?
