

FOR IMMEDIATE RELEASE**HENRY SCHEIN ENHANCES LOCAL SUPPORT FOR CUSTOMERS IN MEXICO BY ENTERING INTO A DISTRIBUTION AGREEMENT WITH ZEYCO****Agreement Helps Improve Access to Henry Schein-Brand Product Portfolio, Inclusive of Infection Control, Laboratory Materials, and Specialized Products for Endodontics, Orthodontics, and Oral Surgery**

MELVILLE, N.Y., May 26, 2021 – Henry Schein, Inc. today announced an exclusive agreement with Zeyco, a leading dental products distributor in Mexico, to distribute Henry Schein-brand products to dental professionals. As a result, dental practitioners and wholesalers operating in Mexico will have a local sales channel to purchase Henry Schein-brand products, helping to ensure a convenient, fast, and seamless process for purchasing products that can help improve practice efficiency and patient satisfaction. Previously, local dentists had to import Henry Schein-branded products from other markets, such as the United States.

General dentists, dental wholesalers, laboratory technicians, and specialists in Mexico will have direct access to disposables, infection control products, laboratory materials, surgical products, hand instruments and supplies necessary for a variety of specialized dentistry, including endodontics and orthodontics.

“We are excited to strengthen our local support for customers in Mexico and deliver value that oral health professionals can rely on to fulfill their practice and patient needs,” said Carol Challed, Vice President and General Manager, Market Development Group and Strategic Partnerships, Henry Schein. “By partnering with Zeyco, a company with a strong and established footprint in Mexico, we can help ensure a more seamless and reliable customer experience.”

Practitioners in Mexico will benefit from local product support and consultation from sales representatives who can conduct virtual or in-person product trainings, support service-related issues, and advise on product solutions to advance clinical outcomes.

“By partnering with Henry Schein, we can help continue to ensure oral health professionals have the products and solutions they need to operate a successful practice and deliver high-quality patient care,” said Jorge Zepeda, Strategic Director, Zeyco. “We are confident that our capacity and scope as an organization will help maximize our relationship with Henry Schein, and the dental community, for years to come.”

Since 1980, Zeyco has been offering quality products that meet the needs of dentists in Mexico. This has placed Zeyco as a leading company in the dental field with a large variety of products that are used globally by dentists in 65 countries. Its product portfolio includes sterile injectable solutions, gels, liquids, pastes, surface disinfectants and other value-added dental products and equipment.
