Discount and Rebate Disclosure:

The prices stated on your invoice, statement or Web account may reflect a discount or be subject to a rebate. You must fully and accurately report this stated discount price, or if applicable, any net pricing, after giving effect to any rebates, to Medicare, Medicaid, Tricare and any other federal or State program upon request by any such program. It is your responsibility to review any agreements or other documents applicable to these prices to determine if they are subject to a rebate. If you are participating in a promotional discount program (e.g. discount redemptions or other special awards), with your purchases you may earn credits redeemable for certain goods or services, in accordance with discount program rules. Upon discount receipt by redemption of your earned credits, you are receiving or will receive notice of the discount value. Accordingly, you should retain these records and other related documents such as the PracticePRIVILEGES Membership Guide.
