- Improved patient care
- Increased patient satisfaction

TSH
Free T4
hCG
PSA
Testosterone

The FastPack® IP System is a fully automated in-office analyzer that puts reliable quantitative test results within your reach at the simple push of a button. It requires minimal space, yet presents huge benefits when incorporated into a physician's office lab.

The FastPack® IP System offers:

Patient Side Results
Increased Efficiency
One Touch Operation
Lab Quality Performance
No Specialized Training Required
Maintenance-Free Operation

**ALL THIS, AND
YOUR RESULTS IN
LESS THAN
11 MINUTES!**

Your Advantages

- ▣ Lowest priced immunoassay analyzer on the market today.
- ▣ Capture the revenue that used to be sent out to the lab.
- ▣ Competitive pricing when comparing the cost per reportable test result.
- ▣ Most will realize a 100% return on investment in 6 months or less.
- ▣ All QC materials are included as part of the price of the system.*
- ▣ Adjust patient replacement therapy on the spot.
- ▣ Makes possible the potential to upgrade an office visit utilizing your stat test results.
- ▣ The system is perfect for small, medium and large practices.
- ▣ Accompanying system manuals will walk you step by step toward compliance with governmental agencies.

*Customer must be on Standing Order Program.
