3. Rinse thoroughly with lukewarm water.
4. Pat dry. Do not rub.

TESTIMONIALS

"I have given samples of this product to clients, family and friends and everyone agrees this works! I don't have acneic skin but I do use the soap for my keratosis pilaris and it has helped tremendously! I am placing another order today to have more in stock because people want it and love it!"

JOAN C. (LICENSED AESTHETICIAN) - RED BANK, NJ

"I work hard and play harder. I use iF Skin Care® soap to keep my skin looking smooth and clear. It works."

METTA WORLD PEACE (PRO BASKETBALL PLAYER) - LA, CA

"I have been a professional esthetician for more than 22 years. I had a new client who was suffering from acne and was tired of using topical medication that was over-drying and harsh on her skin. That's when I introduced her to iF Skin Care®, a new naturally based skin cleanser. She used it for two weeks and it really helped clear her skin leaving it nice and smooth. I too was amazed! Thanks iF Skin Care®."

LORETTA BENNER - GALT, CA

"When I first heard of iF Skin Care® and its Nano technology it caught my attention and I immediately did some research. I was overly impressed with how powerful this natural antibacterial can be. I highly recommend iF Skin Care® cleanser to all my patients that suffer from severe acne and other skin conditions such as fungus, irritated skin, hyper-pigmentation and oily skin. In every patient, the results were remarkable. iF Skin Care® is very effective and is a one of a kind product."

DR. SHOKRAEI - RESEDA, CA

"I perform with heavy make-up and sweat at every show which caused me to break out really bad. Thankfully, my new make-up artist introduced me to iF Skin Care®. Every week I've noticed my skin had a smoother complexion and my acne was gone! Thank you iF Skin Care® for saving my skin from embarrassing breakouts!"

TAZ - TIFFANY ZAVALA (SINGER/DANCER) - SYLMAR, CA

NANO-SILVER TECHNOLOGY

Nano-Silver radiates deeply into the human body which can improve microcirculation, enhance the immune system, make the skin softer and more flexible, while promoting and improving metabolism. Nano-Silver is also an excellent natural deodorizer. An antibiotic kills, on average, 6 different disease organisms. Nano-Silver is known to kill over 650 disease-causing organisms including E. Coli, Staphylococcus, Salmonella, Pseudomonas and fungus. Nano-Silver is safe, non-toxic and causes no side effects. It is hypo-allergenic and does not interact with medications.

BACTERIA DIES INSTANTLY UPON CONTACT WITH NANO-SILVER

RESULTS VISIBLE IN 3 WEEKS

Nano-Silver targets the root cause of acne, bacteria and diminishes dark spots. It is formulated to rejuvenate, hydrate and revitalize the skin in a safe and effective manner.

Silk PROTEIN

Silk Protein contains 18 amino acids, 7 of which are essential to the human body. Silk Protein's molecular size is only 1/200 of collagen's molecular size and can therefore penetrate dead skin layers quickly, resulting in increased cell absorption which helps speed the skin renewal process.

REDUCES:

- Face and Body Acne
- Acne Cyst
- Blackheads
- Oily and Dry Skin
- Fungus
- Dark Spots

BENEFITS:

- Anti-Wrinkle
- Anti-Inflammatory
- Natural Deodorizer
- Exfoliates Dead Skin
- Increases Elasticity
- Removes Dirt and Make-up

The POWERFUL Yet GENTLE Cleanser PERFECTING HIS AND HER SKIN

iF Skin Care® uniquely combines the technology of Nano-Silver and Silk Protein to create a powerful cleanser that kills germs that cause acne, odor, dark spots and other skin conditions. It is gentle on the skin and penetrates the pores on a molecular level.

FAQ's

How does it work?

Nano-Silver radiates deeply into the human body which can improve microcirculation, enhance the immune system, make the skin softer and more flexible, while promoting and improving metabolism. Nano-Silver is also an excellent natural deodorizer.

Are there any side effects?

Nano-Silver and Silk Protein are natural ingredients that do not interact with medications. It is safe, non-toxic, hypo-allergenic and causes no side effects.

What is the difference between iF Skin Care® soap and the soap I normally use?

iF Skin Care® Nano-Silver+Silk Protein facial wash and soap are created using natural products, no harsh additives, or artificial colorants or preservatives to give you the most effective product for your skin. Most commercial soap is detergent based. They are created using synthetic materials that are harsh and drying to the skin.

How long does one facial soap bar typically last?

With proper care, the average iF Skin Care® facial bar soap will last between 4-6 months. This is based on a normal, single person, twice-a-day usage when stored in a dry area after use. (An air-tight container is recommended.)

iF Skin Care® Products are 100% cruelty free. They are not tested on animals nor do they contain any animal ingredients.
