### Select a Barcode Report Type

Select a barcode report type to display products within your custom E-Catalog.

Note: If you have a large number of products within your custom E-Catalog, these reports may take a few minutes to display.

Please see our [User Guide](#) for printing instructions and tips.

Select a barcode report type to display products within your custom E-Catalog.

#### **Item Quantity Barcodes**

Print a list of item quantity barcodes to scan item quantities.

#### **Barcode Labels:** [alphabetically](#) / [category](#) / [manufacturer](#)

Print barcode labels for products listed in your Custom E-Catalog list. We recommend using Avery 5160, 5260, 5810, 5960 labels for printing.

#### **Barcode Tags:** [alphabetically](#) / [category](#) / [manufacturer](#)

Print barcode tags for products in your Custom E-Catalog list.

#### **Barcode List:** [alphabetically](#) / [category](#) / [manufacturer](#)

Print barcode report for products in your Custom E-Catalog list.

#### **Barcode List with Image:** [alphabetically](#) / [category](#) / [manufacturer](#)

Print barcode report with image for products in your Custom E-Catalog list.
