**Noritake CZR Porcelain for Zirconia**

**Hands-on Course**

**DATE:** June 17, 2011  
**TIME:** 8:30am – 5:00pm  
**CREDITS:** 8 CDT  
**Location:** Marriot at Laguardia Airport  
**Location:** 102-05 Ditmars  
**Location:** East Elmhurst NY 11369

**BRIEF COURSE DESCRIPTION**

This course will examine the subtleties of Noritake Cerebien ZR porcelain and its specific application to Yttria-Zirconium substructures. Participants will fabricate a single anterior restoration using skills developed as they learn to utilize the Internal Live Stain technique and correctly apply opalescent Luster porcelain. Additionally, participants will be instructed in the Noritake color philosophy by a recognized expert in the field.

**Instructor: Kent D. Kohli, CDT**

Kent D. Kohli owns and operates Contemporary Dental Aesthetics, LLC, a small, high-end boutique dental studio committed to artistic excellence in all phases of fixed oral prosthetics. His specialty is smile design reconstruction and all-ceramic restoration. He is a graduate of Weber State University and performed his graduate studies at the Clinical Research Associates' Fixed Oral Prosthetic Program for Private Laboratory Technicians in Provo, Utah. After graduating, Kent completed an advanced ceramics internship under the direction of John F. Archibald, CDT.
