Introducing the new ACCLEAN®

We can’t reduce the number of things you do to keep your patients happy and healthy. But we can be by your side, putting a full line of dependable, high-value preventive products at your fingertips.
Clean & Polish

Fundamental prevention products and tools used to clean teeth during hygiene visits.

Ultrasonic Scaler
The ACCLEAN™ Ultrasonic Scaler is purposefully designed to deliver a better experience for you and your patients. The dual frequency 25K/30K technology automatically detects inserts to quickly integrate with existing equipment. Plus, features like auto gain control technology, hands-free boost mode, and cruise control make it easy for you to be effective.

Hygiene Handpiece 2
The ACCLEAN™ Hygiene Handpiece 2 takes high-quality, high-value handpieces to the next level. Its stainless steel construction offers increased durability and longevity while the optimized torque provides more responsive, smoother operation through speed range. And of course the thoughtful, easy maintenance design will make everything simpler and more comfortable for you. Available in standard and swivel option.

Prophy Pastes & Angles
Your favorite prophy pastes and angles have a new look, but trust us, inside the box you’ll find the same great products you depend on for excellent polishing. The ACCLEAN® Prophy Paste non-splatter formula now has color-coded lids for quicker flavor and grit selection. And ACCLEAN® Prophy Angles continue to efficiently remove biofilm with their flex and flare design.

ACCLEAN™ PRO ULTRASONIC INSERTS

The re-engineered and redesigned ACCLEAN® PRO inserts feature durable, color-coded resin handles with a new grip pattern to increase control and prevent the insert from slipping while in use.

The efficient internal water-flow delivery process runs water to the treatment site through the base of the tip for easier maneuverability in hard-to-reach areas than with an external water tube.

by HENRY SCHEIN®
Treat & Protect
Products that promote and sustain oral hygiene after a visit.

**Chlorhexidine Gluconate 0.12% Oral Rinse**
Treat gingivitis with ACCLEAN® Chlorhexidine Gluconate 0.12% Oral Rinse. Help reduce tissue inflammation, bleeding, and plaque accumulation with this mint-flavored oral rinse.

**5% Sodium Fluoride Varnish**
ACCLEAN® 5% Sodium Fluoride Varnish is the easy-to-apply varnish that comes with a finger ring and Microbrush® applicator. This pearlized white varnish sets on contact with saliva and dries clear.

**5% Sodium Fluoride Varnish Brush & Tray System**
ACCLEAN® 5% Sodium Fluoride Varnish Brush & Tray System delivers the maximum fluoride concentration available, plus a smooth and even application. This easy-to-use varnish sets on contact with saliva and dries to a natural tooth color. Plus it comes in a variety of great-tasting flavors including bubblegum, mint and cherry.

The customer is responsible for compliance with any applicable import requirements.

DISCOUNTS, REBATES AND DISCLOSURES

Invoices or statement prices may reflect or be subjected to a bundled discount or rebate pursuant to purchase offer, promotion or discount program.

The Following the special, customized, or government-regulated items are not reimbursable:

- Opened handpieces, small equipment, and custom-ordered equipment
- Special order items (products that we do not ordinarily stock)
- Personalized and imprinted items
- Opened computer hardware and software
- Hazardous/flammable materials
- Expired products
- Items that cannot be returned to the manufacturer

Any item marked non-returnable requires to be shipped and stored frozen. Any drop-shipped products

Prescription Drug Returns

Please note that, in order to comply with Federal and State traceability requirements, prescription drugs may be returned providing that the following key elements are met:

1) Returns of prescription drugs will only be accepted if Henry Schein is notified within 30 calendar days of shipment date and valid return authorization is provided.
2) The Prescription Drug Marketing Act requires any customer returning prescription drugs to complete and return a Prescription Drug Return Authorization form. Federal law requires that the healthcare entity returning prescription drugs document that the product was kept under proper storage and handling conditions while in their possession and during the return of the product. To get a copy of the form and proper return authorization, please contact Customer Service.
3) In addition, traceability regulations require that the healthcare entity returning prescription drugs certifies that the product being returned is the same exact product purchased from HSI.

Henry Schein will not issue credit for any returned prescription drugs which return was not authorized as provided herein, have been tampered with or where the labeling has been altered in any way.

INSTITUTIONAL, GOVERNMENT & CORPORATE ACCOUNTS

ARBITRATION:

All Claims related to or arising under or relating to this Agreement (except for Claims of non-payment of amounts due to Henry Schein for the sale of products) are to be exclusively and finally determined by binding arbitration in the state of New York, or another location mutually agreed to by the parties. Any and all Claims must be arbitrated on an individual basis, and there shall be no right or authority for any Claims or disputes to be arbitrated on a class action or collective basis. For avoidance of doubt, each party irrevocably waives any right to: (i) have any Claim resolved in connection with any class action or collective action; or (ii) recover any damages other than monetary damages, including damages related to loss of profits, in an action in which an individual party brings a Claim based on a class action or collective action. The arbitration shall be conducted on a confidential basis pursuant to the Commercial Arbitration Rules of the American Arbitration Association, or if applicable, under its Procedures for Large, Complex Commercial Disputes. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of costs, expenses and reasonable attorneys’ fees. Any such arbitration shall be conducted by an arbitrator experienced in the disputed subject matter and shall include a written record of the arbitration hearing. The parties reserve the right to object to any individual who shall be or have been at any time employed by or affiliated with a competing organization or entity. An award of arbitration may be confirmed in a court of competent jurisdiction. To the extent that any Claim or dispute is determined to be not subject to arbitration, all other Claims or disputes that would otherwise be subject to arbitration must be arbitrated. As used in this Agreement, “Claims” shall mean any and all liabilities, disputes and expenses whatsoever including, without limitation, claims, adversary proceedings (whether before a court, administrative agency or any other tribunal), damages (whether compensatory, multiple, exemplary or punitive judgments, awards, penalties, settlements, investigations, costs, responses to subpoenas or other governmental directives and reasonable attorneys' fees and disbursements with respect to any claim that may be sustained, suffered or incurred by a Party hereto.

WARRANTIES:

Henry Schein will pass through to the customer, at the time of sale, any transferable product warranties, indemnities and remedies provided to Henry Schein by the applicable manufacturer. EXCEPT AS OTHERWISE PROVIDED HEREIN, TO THE EXTENT PERMITTED BY LAW, HENRY SCHEIN PROVIDES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND THE CUSTOMER SHALL LOOK TO THE MANUFACTURER OF THE PRODUCT FOR ANY WARRANTY THEREIN.
